The Global Fund: Purpose

“To dramatically increase resources to fight three of the world's most devastating diseases, and to direct those resources to areas of greatest need.”

KENYA COORDINATING MECHANISM FOR GLOBAL FUND

Investing in our future

The Global Fund

To Fight AIDS, Tuberculosis and Malaria

Global Fund- Key Principles

- **Partnerships:** Between Governments, CSOs, communities affected, technical partners, private sector, faith-based organizations, and other funders to end the epidemics;
- **Country Ownership:** Taking into account political, cultural and epidemiological context to determine strategies defined in NSPs to fight the three diseases;
- **Performance Based Funding:** Based on verifiable results
- **Transparency**
