2. Receive feedback from PRs on Grant Implementation status
3. Compilation of 2019/2020 Constituency Report
4. Development of 2021/2022 Constituency work plan
5. Discuss HIV/TB/Malaria Programme priorities for 2021

# Review of previous Workplan

## **Achievements**

1. Adolescents and young people have been involved in different GF Country processes
2. Young people have been involved in different decision making platforms both at global, regional, national, county and community levels

## **Lessons learnt**

1. There is a need to develop and have a standardized template or format to document AYP issues around HIV/TB/Malaria services
2. There are existing gaps that require capacity strengthening for AYP organizations

# Workplan 2021/2022

- Objective/key activities
- Alignment with KCM Strategy
- Resource Mobilization Plans

# Key Recommendations

- Resources for AYP activities
- Partner with other stakeholders implementing AYP activities for visibility
- Open communication from PR incases of challenges for support.
